OPT-MAX® WRAPS UP SUCCESSFUL EVENT AT SEA ASIA 2017 IN SINGAPORE

SINGAPORE, 28 April 2017: Opt-Max® has participated in Sea Asia 2017 exhibition from 25th to 27th April 2017 held at Marina Bay Sands in Singapore as part of Premier Six Group (“The Group”) initiatives to further enhance its market presence. Visitors of the exhibition included both local and international representatives from the Singapore government authorities, bankers, ship-owners, shipyards, distributors and etc... Under the Singapore Pavilion, Opt-Max® successfully showcased its range of OEM approved signature marine lubricant products and services which has garnered strong interest.

The Group, a distributor of Maersk SEA-Mate® equipment, also showcased the SEA-Mate® B3000 Blending-On-Board equipment and Analyzer. With the BOB Blender, Opt-Max® uniquely formulated concentrates BoB 300 and Flexguard 140 are blended effectively with the vessel’s in-use system oil to produce a fit for purpose cylinder lubricant with a variable base number (BN40-120) in low speed cross-head diesel engines with the ultimate aim of mitigating cold corrosion, reduce cylinder oil consumption and improve fuel savings.

Mr. Alex Ng, Representative of The Group, said: "On behalf of Opt-Max®, I would like to take this opportunity to thank our distinguished guests, partners and associates for the big success of our exhibition at Sea Asia 2017. Besides our signature products (BOB 300 concentrate, Flexguard 140, Cylinder Oil Shieldguard 50110), Opt-Max® is committed to provide high quality products and services to the marine industry."

Opt-Max® is a new generation lubricant brand which provides premium lubricant products and services to support the growing and challenging marine lubrication industry trends. In addition to OEM approved and patented Opt-Max® range of marine lubricants and additive packages, The Group announced its pipeline of new product developments.

The Group has developed its capabilities and core competencies in building strongholds in lubricant business with a dynamic portfolio of global network from Asia Pacific to Middle East to Europe and many others. Being defined strongly by The Group’s core value of “Integrity”, Opt-Max® is committed to further establish its global presence and developed global availability of Opt-Max® high quality products and services to meet customer’s lubrication requirements.
